ONTARIO MAY 2011 TRADE MISSION

The Canadian Government has continued to reiterate to the High Commission its commitment to the region in the spheres of trade, security and democratic governance. The May 2011 Trade Mission is designed around these three pillars.

This serves as an invitation to you, our valued members who may be interested in joining the High Commission of the Republic of Trinidad and Tobago on a Trade Mission to Ontario, Canada which is scheduled for the second week of May 2011 in Toronto, Ontario.

Participants in this Trade Mission will be part of a delegation comprising Trinidad and Tobago Government officials and private sector representatives. You will be given the opportunity to have business matching meetings organized by the Ontario Chamber of Commerce (OCC), to attend the North American Food Marketplace (SIAL) Canada tradeshow and be a part of functions that incorporate the Trinidad and Tobago Diaspora in Ontario.

Interested members are requested to present a list of their specific business matching requirements for submission to the Ontario Chamber of Commerce in advance, in order to facilitate successful **delegate focused forums** and individual meetings for networking. The OCC is the most diverse and representational business group in the province with access to 60,000 businesses through a network of local Chambers of Commerce and Boards of Trade.

Please send **your Profile** to the Chamber by **Wednesday March 23, 2011** to Sumintra Seeram at: sseeram@chamber.org.tt or Camille Sears-Carter Wells at csearswells@chamber.org.tt.

SIAL Canada is North America's premier agri-food event to be held during May 11-13, 2011 in Toronto, Ontario and is also a one-of-a-kind opportunity that features 7500 exhibitors from over 100 countries. Contact can be made with nearly 600 businesses from around the world and there will be an opportunity to develop new business relationships, learn about local, regional and national products from a variety of countries and grow your network of contacts in Canada and worldwide.

Details of the SIAL event are attached for your consideration. **Interested members of the Trade Mission are invited to attend the show.** However if you would like to be an exhibitor, please see the following website: <http://www.sialcanada.com/sial/en/> for further information.
