products

Soap Sanctuary Caribbean—Respecting People and Planet

Soap Sanctuary Caribbean emerged from a compelling desire to learn the art of natural soap making. Soon the word went out to family and friends and the micro-enterprise of Soap Sanctuary Caribbean was born. Our aim is to offer our customers a spa experience at an affordable cost, through high quality hand-made products. Our products are made from exquisite and high quality essential oils and fragrances.

Our conscientiousness of the environment is espoused through our packaging which comprises of organically made or recycled items.

At Soap Sanctuary Caribbean our desire is to have you recreate that spa experience anytime with pleasure and satisfaction.
