

MEDIA STATEMENT

The Trinidad and Tobago Chamber of Industry and Commerce notes that the election date has been announced. We hope and urge that everyone will do the responsible thing. This is an opportunity to exercise your right as a citizen and go out and vote. Make the choice that you are most comfortable with. We look forward to safety and stability, as activity on the campaign trail will now intensify, and we hope it will remain incident-free, especially where there will be public gatherings. We also hope that all candidates amplify messages that are in the best interest of all citizens. At the end of the day, we are all citizens of Trinidad and Tobago, and we all want what is best for each other and our nation.
