## MEDIA RELEASE

### Caribbean Airlines Awarded as TT Chamber's 2025 Internationally Known... T&T Owned Company of the Year

The Trinidad and Tobago Chamber of Industry and Commerce (TT Chamber) is pleased to announce Caribbean Airlines Limited (CAL) as the recipient of the **2025 Internationally Known... T&T Owned Company of the Year Award**, sponsored by the Ministry of Trade, Investment and Tourism. The announcement was made last evening on the TT Chamber's Champions of Business: True Stories series, which aired on CNC3 and can also be viewed on the TT Chamber's YouTube page.

Caribbean Airlines Limited topped other distinguished nominees to capture this coveted award, which recognises a locally owned company for its contribution to Trinidad and Tobago. A key aspect of the criteria is the company's engagement in significant business development expansion overseas with an established footprint either regionally or internationally, with demonstrated plans for sustained international growth. The category celebrates corporate excellence, innovation, and the global competitiveness of Trinidad and Tobago's businesses. Past recipients of this award include Chief Brand Products, Carib Brewery Limited, K.C. Confectionery Limited, and Associated Brands Industries Limited.

CAL was recognised for its unwavering commitment to excellence in service, its continued expansion across regional and international routes, and its success in showcasing Trinidad and Tobago's brand on the global stage. The airline has been a consistent symbol of national pride and connectivity, linking the Caribbean to the world.

Producer of Champions of Business and Immediate Past President of the TT Chamber, Kiran Maharaj, congratulated the national carrier on the achievement, noting: *"Caribbean Airlines Proudly flying the red, white and black, Caribbean Airlines has become more than a carrier, it is the wings of our region, connecting families, cultures, and nations across 27 destinations in the Caribbean, North and South America. From a small cluster of islands... to the skies of the world ...one airline carries the rhythm, colour, and soul of Trinidad and Tobago and the wider Caribbean wherever it flies."*
