KAIS

MANUFACTURING LIMITED

ABOUT US

Originally founded in 1997 by the late Krishna Sooklal in Trinidad, operating from this home under the name KS MANUFACTURE & SALES. Krishna Sooklal (nicknamed Roy) used methods of heat forming by hand and cutting all guttering and fittings using pipes in the earliest part of his operations. Quickly growing, Krishna Sooklal built his factory in 2003 and purchased machinery in 2009 to commence manufacturing. This dream passed with Krishna Sooklal in early 2016.

KAIS MANUFACTURING LIMITED was established by his wife and eldest son soon after his passing. The company suffered another tragic loss after Mrs Sooklal passed away, in 2017. KAIS then became a second generation partnership. It has since modified and expanded its raw material, moulds and machinery, making the dreams of the late Krishna Sooklal come alive. Today, KAIS can proudly boast about the company's strong, unbreakable MARKS® brand products.

MISSION

For our brand of products to be demanded by customers thus, becoming the leading brand distributed by suppliers locally and regionally. To have a growing, diversified business and become the top manufacturer and exporter of MARKS and STRONGY brand of products.

VISION

To manufacture superior products, provide exceptional customer service and first-class delivery time, while creating value for the end user.

MARKS®

MADE IN TRINIDAD AND TOBAGO

MARKS is the most innovative Gutter System available on the market today. Designed to withstand tough climatic conditions, its unique formulation of UPVC with the addition of titanium dioxide guarantees an ultra-high level of protection against the effects of harmful U.V. Rays

Benefits of PVC Gutters

Strength & Durability

UPVC gutters are best known for their strength. During the manufacturing process they are formed in one continuous unit. There is no paint to scratch or welded seams to corrode over time.

Plastic is stronger than the metal alternatives and will not dent or obtain any visible blemishes on the surface. UPVC is very light, flexible and more durable, especially in areas prone to extreme weather conditions. UPVC is also superior to metal gutters and customizable to adapt to the exterior finish of your home. If you are replacing your gutters, consider PVC as a viable option

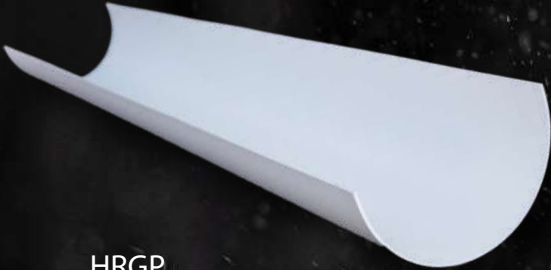

Price

Using UPVC for your gutters is less expensive than installing metal . No one wants their final finish to look cheap. By choosing the right UPVC Gutters, you will receive a superb system of gutters at a reasonable price.

Installation

UPVC gutters are easy to install. The sections of PVC are very lightweight and snap together quickly. With the right tools, you can install the gutters, at no expense. However, proper mounting and pitch are important when installing gutters. Since UPVC is less burdensome to work with, the job is easier. When selecting a contractor to install your gutters, ensure that your contractor has the necessary skills and knowledge of the installation process to prevent poor workmanship.

Half Round Series

HRGP
MARKS® Plain ½ Round Guttering

HRGSE
MARKS® Stop End ½ Round Guttering

HRGO2
MARKS® Stop & Down ½ Round Guttering 2"

HRGO4
MARKS® Stop & Down ½ Round Guttering 4"

- Benefits of UPVC**
- Non-Toxic
 - Leak Resistant
 - Durable
 - Cost Effective

MARKS®
MADE IN TRINIDAD AND TOBAGO

Half Round Series

HRSEF
MARKS® Stop End

HRSO4
MARKS® Stop Outlet 6"x 4"

HRGB
MARKS® ½ Round Heavy Duty Gutter Brackets

HRSO2
MARKS® Stop Outlet 6"x 2"

MARKS[®]
MADE IN TRINIDAD AND TOBAGO

Half Round Series

HRROF4
MARKS[®] Running Outlet 6"x 4"

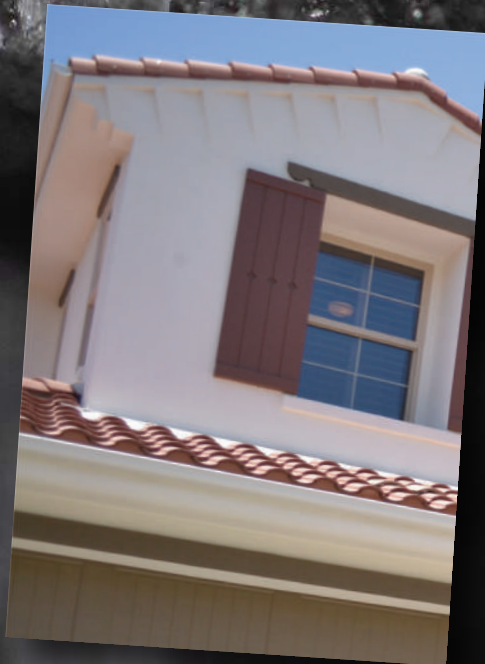

HRROFSQ

HRROF4
MARKS[®] Running Outlet 6"x 2"

UPVC Fact
UPVC is half the price of metal gutters and has a longer lifespan

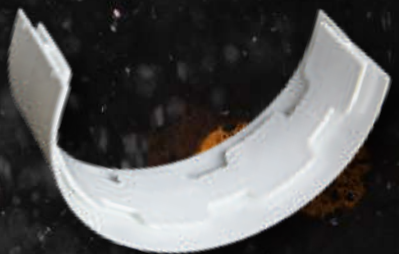

MARKS[®]
MADE IN TRINIDAD AND TOBAGO

Half Round Series

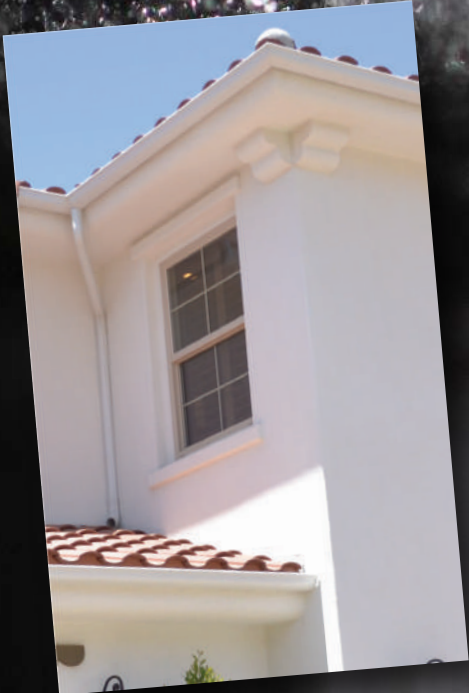

HRCF90
MARKS[®] 90° Corner Fitting

HRCOF4
MARKS[®] 1/2 Round Joiner

HRCOF4
MARKS[®] 90° Corner Outlet 4"

Square Series

SSGP4
Square Plain Guttering 4M

SQPIPE4
MARKS[®] Square Down Pipe 75mm 4M

SSGB
MARKS[®] Square 6" Gutter Bracket

SSSEF
MARKS[®] Square 6" Stop End Fitting

Square Series

SSJF
MARKS[®] Square Joiner Fitting

SSROF
MARKS[®] Square Running Outlet Fitting

SSCF90
MARKS[®] Square 90° Corner Fitting

Square Series

SQ2R2
MARKS® Square to Round 2"

SQ2R3
MARKS® Square to Round 3"

SQDPC
MARKS® Square Downpipe Connector 75mm

SQ112
MARKS® Square 112.5° Elbow 75mm

Square Series

SQ92
MARKS[®] Square 92° Elbow 75mm

MARKS Fact
MARKS gutters have solvent joints for ease of installation

SQCLP
MARKS[®] Square Downpipe Clamp 75mm

SQTEE
MARKS[®] Square Tee 75mm

Sanitary Fittings

SFELB1.5
MARKS[®] 90° Elbow 1 ½ "

SFELB4
MARKS[®] 90° Elbow 4"

SFELB2
MARKS[®] 90° Elbow 2"

SFTEE4
MARKS[®] 4" Tees

Pipe Clamps

PCL1.5
MARKS[®] 1 ½ " Clamp

PCL2
MARKS[®] 2" Clamp

PCL3
MARKS[®] 3" Clamp

PCL4
MARKS[®] 4" Clamp

MARKS®
MADE IN TRINIDAD AND TOBAGO

X Series

XSPG
X-Series Plain Guttering

XSGB
X-Series Gutter Bracket

XSSEF
X-Series Stop End Fitting

X Series

XSJF
X-Series Joiner Fitting

XSROFSQ
X-Series Running Out Fitting 3" Square Outlet

MARKS Fact
MARKS X-Series gutters have hidden supports and are more aesthetically pleasing

XSIAF
X-Series Internal Angle Fitting

XSEAF
X-Series External Angel Fitting

Drop Outlets

DOF2
MARKS® Drop Outlet 2" Round

DOF3
MARKS® Drop Outlet 3" Round

DOFSQ
MARKS® Drop Outlet Square

Hydroponics

XSRDP
X-Series Rectangle Down Pipe

SQPIPE4
MARKS[®] Square Down Pipe 75mm 4M

STRONGY Fact
STRONGY buckets include recycled plastic, affirming our environmental commitment,

SCB
Heavy Duty Construction Bucket

SPB
Heavy Duty Planter Bucket
